Fire Extinguisher Inspection April 26 & 27

The marina's annual fire extinguisher inspection will be Thursday, April 26 and Friday, April 27 at the Harbormaster's office from 9:00am-4:00pm. Stop by the Harbor Office Shop during this time to deliver your extinguishers directly to the service technician. If you cannot come by the office on those days, feel free to drop your extinguishers off ahead of time and pick them up after the inspection. Please make sure to clearly label any fire extinguisher left with the office. Include your name, slip number and phone number. For more information, contact the Harbor Office.

Parking Permits

With the increased traffic during the Boat Show, please make sure your parking permit is properly displayed when parked in Marina lots! F & G Dock parking will be significantly impacted during the show and we will be ticketing and towing un-permitted vehicles if necessary. The other lots will also likely see an increase in traffic so make sure your permit is visible!
