

Marina Bay Tides

July 2018

No Dock Storage Please!

Fireworks on July 3

Richmond is first on the Bay with fireworks! Enjoy the annual fireworks show from your boat, Tuesday, July 3!

Fireworks are supposed to be launched from a barge in the marina at approximately 37° 54' 49"N 122° 21' 08"W as in previous years (although it is subject to change). Vessels will be prohibited from anchoring or operating within the exclusion zone before and during the show. Richmond PD Marine Unit will be patrolling the boundary so please give them your cooperation. Transit through the safety zone will be halted at approximately 8:00pm so make sure your vessel is in place prior to that time if you are not going to watch from your slip. Fireworks are scheduled to start approximately 9:15pm. All times are approximate of course.

Parking will also be an issue throughout the marina. Parking in Melville Square (E-Dock) usually fills up early & RPD may block access. Please display your permits! You may not get in at all without them! Come early & carpool with your guests.

Storing things on the dock is a safety hazard: The fingers are fire lanes and that space is needed for emergency access, so no storage is permitted on the dock.

From the berth agreement:

5. STORAGE ON DOCKS. Storage of items must be confined to the dock box or the boat and will not be permitted on the docks, finger piers, parking areas, etc. Walkways shall be kept clear at all times. Only approved dock boxes and dock stairs are allowed on the docks. . . Any unapproved items found on a walkway or finger pier will be removed and disposed of *at the owner's expense*. . .

Please remove all unauthorized items from the dock and fingers by your boat. This includes kayaks, dinghies, BBQs, Fuel jugs or other hazardous waste. **The maintenance staff may remove any unauthorized items from the docks without further notice** and you may be charged for the cost of removal and disposal of any unauthorized items on the dock.

Kayaks and dinghies may be stored in your slip (but not on the dock!). As a general rule they may not overlap the concrete but a small overlap of the wood walers is generally ok. The marina has kayak & dinghy storage space available for rent at the Launch Ramp.

If you need assistance moving your items or have a question about what is permitted, please contact the Harbor Office at info@mbyachtharbor.com. Thanks in advance for everyone's cooperation.

Profound Thoughts

Beware the lollipop of mediocrity. Once you lick it, you'll suck forever. (Brian Wilson)

A new study found that only 20 percent of high school seniors are proficient in geography. Students weren't really bothered by that number because only 3 percent of them are proficient in math.

Do mimes observe a brief moment of talking when a fellow mime passes away?

Why doesn't Tarzan have a beard when he lives in the jungle without a razor?

Why is it that people say they "slept like a baby" when babies wake up crying every two hours?

Why do people point to their wrist when asking for the time, but don't point to their butt when they ask where the bathroom is?

The sooner you fall behind the more time you'll have to catch up.

One day, we will all live in the future.

What is a free gift? Aren't all gifts free?

Do not argue with an idiot. He will drag you down to his level and beat you with experience.

We never really grow up; we only learn how to act in public.

If you try to fail, and succeed, which have you done?

If a turtle doesn't have a shell, is he homeless or naked?

I went to a bookstore and asked the saleswoman, "where's the Self-help section?" she said if she told me, it would defeat the Purpose.

**I discovered I scream
the same way whether
I'm about to be devoured
by a great white shark**

**or if a piece of
seaweed touches
my foot.**

WE HAVE TO
LET YOU GO DUE
TO A LACK OF SAILS
