

Marina Bay Tides

November 2019

Winter IS

Coming . . .

Is your boat ready?

Please Display Your Parking Permit

Help make sure there is ample parking at the marina for boaters and guests by properly displaying your permit. **The proper location for your permit is on the LEFT REAR bumper or window.** If you display your permit in another location we cannot guarantee that it will be seen and you won't inadvertently get ticketed.

The 2020 Parking Permit forms have been mailed. Please complete and return your form to get your 2020 permit.

As of January 1, 2020 all previous permits will no longer be valid & vehicles displaying them may be subject to citation and/or towing.

(You do not need to wait until January 1 to display your 2020 permit, they are valid immediately)

If you are having a guest for more than a day sail, please stop by the office to pick up a yellow visitor's permit. We strongly encourage carpooling whenever possible, particularly on busy weekends.

Please take steps to secure your vessel for the coming winter weather!

- Be prepared for deck leaks and make sure your automatic bilge pump is in good working order.
- **Make sure you do not have oil or fuel in your bilge!**
- Ensure that cockpit drains are clear and hatches are closed.
- Ensure that the power cord to your boat is in good condition (check both ends and your boat inlet!), is securely plugged in to both the dock box and your vessel, & it has enough slack for vessel movement.
- Replace dock lines and chafing gear and **add spring** lines where needed.
- Let the Harbor Office know if you have any loose or damaged cleats in your slip.
- Make sure sail covers and awnings are properly secured.
- Make sure your roller furling headsail won't unfurl in the winds! Better yet, take it down if you won't be going for a sail for a while!
- Make sure dinghies and other gear are properly secured or put away for the winter.

And lastly, but most importantly, **check your boat often**, particularly before and after each storm!

Telephone/DSL Users

Please help us update our records: If you are currently using a phone or DSL connection on the dock, please contact the harbor office (info@mbyachtharbor.com) with your name slip number and service provide (AT&T or Sonic).

As the phone/DSL lines on the dock are functionally obsolete they are being phased out over time but with an updated list of active users we will do our best to preserve existing connections as long as practical.

SAVE A TURKEY DAY

I HATE TURKEYS. IF YOU STAND IN THE MEAT SECTION AT THE GROCERY STORE LONG ENOUGH, YOU START TO GET MAD AT TURKEYS. THERE'S TURKEY HAM, TURKEY BOLOGNA, TURKEY PASTRAMI. SOME ONE NEEDS TO TELL THE TURKEY, 'MAN, JUST BE YOURSELF.

THANKSGIVING PIE CHART
