

Marina Bay Tides

March 2020

Wi-Fi

Wi-Fi vouchers are good for one year at a time. If you are having trouble connecting and it has been more than a year since you got your voucher then that is the likely problem. Contact the Harbor Office for a new voucher.

If your voucher is less than one year old and you are having problems connecting it could be a number of different issues. The simplest step in trouble-shooting can be to go up on deck and try your connection closer to one of the antennas. If you get a good connection above deck but not below then you might need an external antenna or repeater.

If you continue to have trouble, contact Beacon Wireless directly at 888.852.0611 or support@beaconwifi.com. The support staff is available Mon-Fri, 9:00am-10:00 pm and Sat-Sun, 9:00 am-6:00 pm EST.

Protect your Shorepower Cord, prevent damage to your boat!

Shut off the breaker at the dock box every time you plug or unplug your shorepower cord!

Plugging or unplugging energized power cords can damage them which can lead to damage to your boat's electrical system or fires.

Make sure your cords do not dangle in the water!

Please leave the 20 Amp dock light breaker ON if your power center has one.

Check Your Information

Has any of your contact info changed? Do you have new registration or documentation or insurance?

If you have any doubts about whether or not your information is current (if you haven't received any statements or newsletters in a while this could be why), please contact the Harbor Office to be sure we have your current info.

Mark your calendar:

Daylight Saving Time starts March 8
More daylight to enjoy your boat!

Changing your oil?

Don't forget the Marina has facilities to recycle used motor oil and filters and to dispose of used absorbent pads at the Launch Ramp & D Dock. Contact the Harbor Office for access (Please don't just leave the containers outside the sheds where they may get spilled). Please do not mix anything with the oil, especially any coolant, fuel, brake cleaner or other solvents. For info on how to safely dispose of any other hazardous items go to:

www.recyclemore.com.

Office Hours: Monday through Saturday 9-5 Closed Sundays
