Recycling Guide

Please only throw recyclable materials in the recycling bin. Due to recent changes in the market, items that once were accepted in the recycling bin no longer are. When non-recyclable items are thrown in the recycling bin it contaminates the load and the entire bin often ends up in the landfill instead of being recycled. Please do not throw non-recyclable items in the recycling bin!

Don't be afraid to rock the boat. If someone falls out, then they weren't meant to be in your boat.
