

Marina Bay Tides

October 2020

Please Display Your Parking Permit

Help make sure there is ample parking at the marina for boaters and guests by properly displaying your permit. **The proper location for your permit is on the LEFT REAR bumper or window.** If you display your permit in another location we cannot guarantee that it will be seen and you won't inadvertently get ticketed.

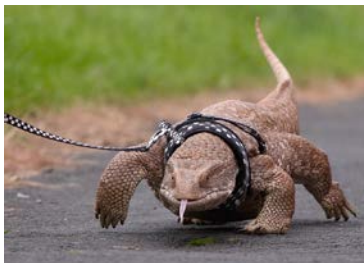

The 2021 Parking Permit forms will be sent out in October. As of January 1, 2021 all previous permits will no longer be valid & vehicles displaying them may be subject to citation and/or towing. You do not need to wait until January to put your 2021 sticker on, it is valid on receipt.

If you are having a guest for more than a day sail, please stop by the office to pick up a yellow visitor's permit. We strongly encourage carpooling whenever possible, particularly on busy weekends.

NOTE: Parking permits do not authorize storage of vehicles in Marina parking lots. If you find it difficult to move your vehicle every 3-4 days then you should find a better storage location for it.

All Pets Must Be On Leash

Please make sure that your pet is on leash at all times on the dock. And make sure that any "accidents" get cleaned up promptly.

Recycling

Please only throw recyclable materials in the recycling bin. When non-recyclable items are thrown in the recycling bin it contaminates the load and the entire bin often ends up in the landfill instead of being recycled. Please do not throw non-recyclable items in the recycling bin!

Recycling

YES **SÍ**

MIXED PLASTICS **PLÁSTICO MIXTOS**

METAL **METAL**

Repair Project

We expect to begin gangway replacement for F-Dock in late October/early November. The project will take several days and will include some disruptions to water and power as we replace the gangway. There will also be some brief periods when accessing the F-Dock gate will not be possible. More details will come as the schedule firms up.
