

Marina Bay Tides

April 2022

Fire Extinguisher Inspection April 28 & 29

The marina's annual fire extinguisher inspection will be Thursday, April 28th and Friday, April 29th at the Harbormaster's office from 9:00am-4:00pm. Stop by the Harbor Office Shop during this time to deliver your extinguishers directly to the service technician. The Marina will cover the basic service certification for standard ABC extinguishers. If your extinguishers require more service, you can negotiate that directly with the technician. If you cannot come by the office on those days, feel free to drop your extinguishers off ahead of time and pick them up after the inspection. Please make sure to clearly label any fire extinguisher left with the office. Include your name, slip number and phone number. For more information, contact the Harbor Office.

New fire extinguisher rules go into effect on April 20:

All Pets Must Be On Leash

Please make sure that your pet is on leash at all times on the dock. And make sure that any "accidents" get cleaned up promptly.

RMC fines of \$100 per incident may be applied to the accounts of violators. Save money, leash your pet!

Opening Day 2022

"OPENING DAY ON THE BAY" April 24 MARKS THE OFFICIAL START OF SAN FRANCISCO BAY'S 2022 BOATING SEASON

The parade will feature boats, both power and sail, decorated to the theme competing for best decoration honors. Find more info at Pacific Inter-Club Yacht Association: www.picya.org.

Working on your Boat? Make sure nothing ends up in the water!

Marinas are always under scrutiny regarding our impact on the marine environment so it is imperative that anyone performing maintenance on board take adequate steps to protect the environment.

Prevent ANY dust & debris from getting into the water! Use tarps to create wind breaks and traps, use your shop vac attached to power tools and don't do work that will create dust topside when it is windy!

Make sure that any paint, solvents or other liquids are contained and there are no drips on the dock or in the water.

If you have any questions about the scope of your planned work please contact the Harbor Office in advance.

Avoid parking problems, display your 2022 parking permit!

Any vehicles with missing or expired parking permits could get ticketed or even towed. Don't be the last kid on your block without a current parking permit, get yours today!

Office Hours: Monday through Saturday 9-5 Closed Sundays
