

Marina Bay Tides

June 2022

Remember

Red Right Returning!

Cut the corner past Daymark 18 at your own peril — it is shallow south of the buoy line!

Celebrate Summer Sailstice

June 18

Empty the marina of all boats! Go sailing June 19! If you're not using your boat, you're not maximizing your fun!

Celebrate Summer Sailstice with sailors worldwide on the weekend of June 18 — the longest sailing weekend days of the year. To participate, simply sign up at www.summersailstice.com and then go sailing.

Celebrate Sailing!

Supply Chain Woes

The ongoing supply chain issues have unfortunately had a major impact on marina operations. We have had critical power center parts on order since Fall of 2021 and still do not have an ETA. This has been a significant setback to our ongoing dockbox and power center replacement schedule. If your dock box is in poor condition, it is likely already on our list for replacement in the near future once we are able to get the necessary parts. In the meantime, the only other solution we can offer would be, if there is an available space with a better condition box & power center for you to move your vessel there. Please contact the office for availability if you are interested in relocating.

We appreciate everyone's patience as we work through this issue.

Changing your oil?

- Do NOT mix anything with the oil, especially any gasoline, diesel, coolant, brake cleaner or other solvents.
- Do NOT leave oil (or any other Hazardous Material) on the dock where it might get spilled.
- Contact the Harbor Office for access (Do NOT leave containers outside the sheds where they may get spilled).

Stage 2 Drought Please

Please cut back 10%

Conserve Water

Please reduce your water consumption. East Bay Municipal Utility District is calling for a 10% reduction from all customers. Please use nozzles on hoses and when washing your boats. Also, please help the marina conserve by reporting leaks on the dock.

Office Hours: Monday through Saturday 9-5
