Fleet Week!

October 3-11

Go NAVY! The Navy returns with the Blue Angels and the Parade of Ships! The Parade of ships is Friday, October 7. The shows will take place along the City front between the Golden Gate Bridge and Treasure Island. The Coast Guard will maintain an exclusionary zone in that area. Consult your local notice to Mariners for more information.

Notices to Mariners can also be obtained on the web at:

Repair Projects

Repair projects at F & G Dock started in late September and will continue through October. Concrete patching and other local repairs will continue as weather and time permits.

No Hazardous Waste in Dock boxes or Under Dock Steps (or anywhere else on the dock!)

We know it's tempting; there is often that leftover bit of varnish or partially used bottle of oil that you want to hang on to for later use. But storing these items on the dock increases the chances of leaks and spills in the water. And the hazmat all too often gets forgotten until it leaks and makes a sticky mess all over everything else in the dock box.

Recycling

Please only throw recyclable materials in the recycling bin. When non-recyclable items are thrown in the recycling bin it contaminates the load and the entire bin often ends up in the landfill instead of being recycled. Please do not throw non-recyclable items in the recycling bin!

I was going to take one of those Viking River Cruises until I learned that you don't actually get to loot the towns and monasteries along the way.
