

# Marina Bay Tides

December 2022

**Winter IS  
Here . . .  
Is your boat  
ready?**

Please take steps to secure your vessel for the coming winter weather! The last storm was pretty rough on docklines!

- Make sure your automatic bilge pump is in good working order.
- **Make sure you do not have oil or fuel in your bilge!**
- Ensure that cockpit drains are clear and hatches are closed.

And lastly, but most importantly, **check your boat often**, particularly before and after each storm!

**The 2023 Parking Permit forms have been mailed. Please complete and return your form to get your 2023 permit.**

**As of January 1, 2023 all previous permits will no longer be valid & vehicles displaying them may be subject to citation and/or towing.**

**All Pets Must  
Be On Leash**

Please make sure that your pet is on leash at all times on the dock. And make sure that any "accidents" get cleaned up promptly.

## Current Documentation or Registration & Insurance

The Berth License Agreement requires boat owners submit current Documentation or Registration as well as current Insurance upon renewal. Notices have been going out to accounts with expired or missing documentation or registration.

Documentation is with the US Coast Guard while Registration is through California DMV.

As office staff sometimes need to spend an inordinate amount of time chasing down current paperwork from a few, we have instituted a new fee on our rate schedule of \$100 per month for vessels who fail to provide current documentation or registration in a timely fashion. The fee for expired insurance is \$50 per day.

(After Hours Maintenance Emergency: Option 3)**

## Mark your calendar:

Dec 21 — **Winter Solstice** — Celebrate the return of longer days with a day on the bay.

Dec 23 — **Festivus** — Gather 'round the aluminum pole and air your grievances.

Dec 26 — **Boxing Day**

Dec 31 — **New Year's Eve**

Jan 1 — **New Year's Day** — Start the year off right: On the Water!

My New Year's resolutions are:

1. Stop making lists.
- B. Be more consistent.
7. Learn to count.

*There's no better memory than heading off into the wilderness and cutting down your very own Festivus pole.*
