DUDE, WHERE'S THE DOCK CART?

Please be kind and Return All Carts to the Head of the Dock! Leaving them "hidden" on your finger so people have to hunt for them throughout the dock is not nice to your fellow boaters.

Fire Extinguisher Inspection May 4 & 5

The marina's annual fire extinguisher inspection will be Thursday, May 4 and Friday, May 5 at the Harbormaster's office. Stop by the Harbor Office Shop during this time to deliver your extinguishers directly to the service technician or drop them off in advance. The Marina will cover the basic service certification for standard ABC extinguishers. If your extinguishers require more service, you can negotiate that directly with the technician. Please make sure to clearly label any fire extinguisher left with the office. Include your name, slip number and phone number. For more information, contact the Harbor Office.

Contract Renewals

With the transition to new ownership in December we have initiated contract renewals effective April 1, 2023. **All prior contracts terminated on March 31, 2023.** Thank you to everyone who has already responded and resigned their contracts!

Please check your SPAM folder and make sure that e-mails from SHMarina.com are permitted so you don't miss any key messages. With the new contracts we have the ability to do online signatures which is a big improvement over past efforts. If you have previously already submitted the auto pay info and don't wish to repeat it on your contract just fill out the auto pay info with all "9"s (since the field is required).

Accounts that we are unable to get a signed contract for in a timely fashion may be liable for transient berth rent at the daily rate. Please return your signed contract ASAP if you haven't already!

If you have any questions, please let us know at MBYH@SHMarinas.com.

- May 12 — **National Limerick Day**, Celebrate the Limerick: *There was a young sailor named Bates, Who danced the fandango on skates. . .*
- May 22 — **National Maritime Day!** Created by the United States Congress in 1933, National Maritime Day is a holiday that both honors and celebrates the Merchant Marine.

*The Limerick is furtive and mean:
You must keep it in close quarantine
Or it sneaks to the slums
And promptly becomes
Disorderly, drunk and obscene.*

*Once out on the lake at Dubuque,
A girl took a sail with a duque;
He remarked, 'I am sure
You are honest and pure' —
And then leaned far over to puque.*

*There was a young fellow named Chet
Who swam out to sea on a bet.
Did he win? I don't know:
That was two months ago
And we haven't caught sight of him yet.*

*There was a young girl called Bianca,
Who slept while her ship lay at anchor,
She awoke with dismay
When she heard the mate say:
'Hi! Hoist up the top sheet and spanker!'*

*The was a tiresome young man in Bay Shore;
When his fiancée cried, 'I adore
The beautiful Sea!
He replied, I agree
It's pretty. But what is it for?'*

*A wonderful bird is the pelican
His bill can hold more than his belican.
He can take in his beak
Enough food for a week.
But nobody knows how the helican.*

*Said a salty old skipper of Wales,
'Number One, it's all right to chew nails;
It impresses the crew,
It impresses me too:
But stop spitting holes in the sails.'*
