Fireworks at MBYH on July 3!

Richmond is first on the Bay with fireworks! Enjoy the annual fireworks show from your boat, Monday, July 3!

Fireworks are supposed to be launched from a barge in the marina at **approximately** 37° 54' 49"N 122° 21' 08"W as in previous years (although it is subject to change). Vessels will be prohibited from anchoring or operating within the exclusion zone before and during the show. Richmond PD Marine Unit will be patrolling the boundary so please give them your cooperation. Transit through the safety zone will be halted at approximately 8:00pm so make sure your vessel is in place prior to that time if you are not going to watch from your slip. Fireworks are scheduled to start approximately 9:15pm. All times and locations are approximate — the safety zone could be closed sooner.

Parking will also be an issue throughout the marina. Parking in Melville Square (E-Dock) usually fills up early & RPD may block access. Please display your permits! You may not get in at all without them! Come early & carpool with your guests.

Recycling Guide

Please only throw recyclable materials in the recycling bin. Due to changes in the market, items that once were accepted in the recycling bin no longer are. When non-recyclable items are thrown in the recycling bin it contaminates the load and the entire bin often ends up in the landfill instead of being recycled. Please do not throw non-recyclable items in the recycling bin!
