September 2023

## Do we have your Current Documentation or Registration?

The Slip Agreement requires boat owners to submit current Documentation or Registration as well as current Insurance. Documentation is with the US Coast Guard and has been an annual renewal in the past, however in recent years they have been offering multi-year (up to 5 years) renewal. Registration is with California DMV and is valid for two years with renewal on odd years with most expiring this December. Please send us your updated Certificate of Number when renewing.

There is a monthly "convenience fee" of \$100 per month for members who are unable to provide a copy of current vessel Documentation or Registration in a timely fashion. In most cases, the actual documentation or registration fee will be substantially less. "Sort've an incentive kind of a deal, huh?" – Captain Ron

## Coastal Cleanup Day

Saturday, September 23

California Coastal Cleanup Day is part of one of the largest volunteer events of the year. Participate locally on September 23.

For more info or to get involved, go to: [www.coastalcleanupday.org](http://www.coastalcleanupday.org)

## No Hazardous Waste in Dock boxes or Under Dock Steps (or anywhere else on the dock)!

We know it's tempting; there is often that leftover bit of varnish or partially used bottle of oil that you want to hang on to for later use. But storing these items on the dock increases the chances of leaks and spills in the water. And the hazmat all too often gets forgotten until it leaks and makes a sticky mess all over everything else in the dock box.

Office Hours: Monday through Saturday 9-5 Closed Sundays
