## Do we have your Current Documentation or Registration?

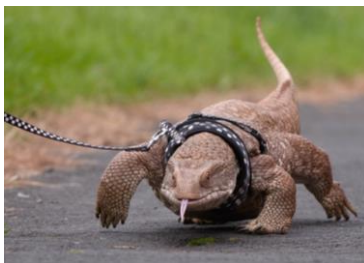

The Slip Agreement requires boat owners to submit current Documentation or Registration as well as current Insurance. Documentation is with the US Coast Guard and has been an annual renewal in the past, however in recent years they have been offering multi-year (up to 5 years) renewal. Registration is with California DMV and is valid for two years with renewal on odd years with most expiring this December. Please send us your updated Certificate of Number when renewing.

There is a monthly "convenience fee" of \$100 per month for members who are unable to provide a copy of current vessel Documentation or Registration in a timely fashion. In most cases, the actual documentation or registration fee will be substantially less. "Sort've an incentive kind of a deal, huh?" – Captain Ron

## All Pets Must Be On Leash

Please make sure that your pet is on leash at all times on the dock. And make sure that any "accidents" get cleaned up promptly.

## Fleet Week!

October 2-10

Go NAVY! The Navy returns with the Blue Angels and the Parade of Ships! The Parade of ships is Friday, October 6. The shows will take place along the City front between the Golden Gate Bridge and Treasure Island. The Coast Guard will maintain an exclusionary zone in that area. Consult your local notice to Mariners for more information.

Notices to Mariners can also be obtained on the web at: <http://www.navcen.uscg.gov/?pageName=lnmDistrict&region=11>

For more information on Fleet Week check out [www.fleetweeksf.org](http://www.fleetweeksf.org)

## Recycling

Please only throw recyclable materials in the recycling bin. When non-recyclable items are thrown in the recycling bin it contaminates the load and the entire bin often ends up in the landfill instead of being recycled. Please do not throw non-recyclable items in the recycling bin!

Office Hours: Monday through Saturday 9-5 Closed Sundays

The Spaniards harvested these crystals and sent them by ship back to Europe. It was then that it was first determined how many quartz were in a galleon.

**When Lord Nelson died he was 5 feet tall. His statue in London is 15 feet tall. That's Horatio of 3:1.**
