

Marina Bay Tides

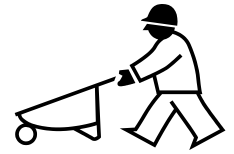

November 2023

Winter IS
Coming . . .
Is your boat ready?

No? Why not?!? Please take steps to secure your vessel for the coming winter weather!

DOCK CARTS

It often seems like there are never enough to go around: We need everyone's help in taking care of them.

- Please Return All Carts to the Head of the Dock! Don't leave them in the parking lots, or by the slips. No one enjoys having to search through the marina to find a cart!
- Please Don't Overload the Carts! (ie NO engine blocks, loads of anchor chain or batteries!).

2024 Parking Permit

The 2024 Parking Permit forms are being e-mailed soon. Please complete and return your form to get your 2024 permit.

As of January 1, 2024 all previous permits will no longer be valid & vehicles displaying them may be subject to citation and/or towing.

Do we have your Current Documentation or Registration?

The Slip Agreement requires boat owners to submit current Documentation or Registration as well as current Insurance. Registration is with California DMV and is valid for two years with renewal on odd years with most expiring this December. Please send us your updated Certificate of Number when renewing this year.

There is a monthly "convenience fee" of \$100 per month for members who are unable to provide a copy of current vessel Documentation or Registration in a timely fashion. In most cases, the actual documentation or registration fee will be substantially less. "Sort've an incentive kind of a deal, huh?" – Captain Ron

Protect your Shorepower Cord,
prevent damage to your boat!

Shut off the breaker at the dock box every time you plug or unplug your shorepower cord!

Plugging or unplugging energized power cords can damage them which can lead to damage to your boat's electrical system or fires. Inspect your cord and inlet **regularly** for any signs of damage.
