

Marina Bay Tides

December 2023

Winter IS Here . . . Is your boat ready?

Please take steps to secure your vessel for the coming winter weather! Last month we had a sinking before the rainstorm!

- Make sure your automatic bilge pump is in good working order.
- **Make sure you do not have oil or fuel in your bilge!**
- Ensure that cockpit drains are clear and hatches are closed.

And lastly, but most importantly, **check your boat often**, particularly before and after each storm!

Current Documentation or Registration & Insurance

The Slip License Agreement requires current Documentation or Registration as well as current Insurance. Documentation is with the US Coast Guard while Registration is through California DMV. Everyone registered with DMV needs to renew their registration prior to 12/13/2023!

For those who are unable to comply with the paperwork requirements there is a fee on our rate schedule of \$100 per month for vessels. The fee for expired insurance is \$50 per day. Don't let your insurance or registration expire!

The 2024 Parking Permit forms have been e-mailed. Please complete and return your form to get your 2024 permit.

As of January 1, 2024 all previous permits will no longer be valid & vehicles displaying them may be subject to citation and/or towing.

All Pets Must Be On Leash

Please make sure that your pet is on leash at all times on the dock. And make sure that any "accidents" get cleaned up promptly.
