Last Call: Do we have your Current Documentation or Registration?

The Slip Agreement requires boat owners to submit current Documentation or Registration. Registration is with California DMV and is valid for two years with renewal on odd years.

There is a monthly “inconvenience fee” of \$100 per month for members who are unable to provide a copy of current vessel Documentation or Registration.

Contract Renewals April 1, 2024

Current berth contracts expire at the end of March. Please be on the lookout for your updated contract in the coming weeks. It will come by e-mail from noreply@membermail.shmarinas.com and will have a link to the DocuSign contract. There is no need to print and scan or bring in a paper copy to sign. Just follow the prompts to review and digitally sign. The whole process should take only a few moments.

Once the initial contract is sent, you should get reminder e-mails until you sign the contract. Check your spam filter if you do not see the e-mail(s).
