May 2024

### Contract Renewals

Prior berth contracts expired at the end of March. There are still some outstanding contracts awaiting completion. Please be on the lookout for your updated contract. It will come by e-mail from [noreply@membermail.shmarinas.com](mailto:noreply@membermail.shmarinas.com) and will have a link to the DocuSign contract. Just follow the prompts to review and digitally sign. The whole process should take only a few moments.

Thanks to everyone who has already completed their contract renewal!

### Recycling

Please do not contaminate the recycling bins with non-recyclables!

**Please do not bag recyclables, particularly with opaque bags – the automated monitoring systems on the trucks read these as contamination & the marina gets fined.** Wishful Recycling” tends to do more harm than good when we toss items that we wish would be recycled into the bins we risk contaminating the entire load that can then just end up in the landfill instead.

- Please place only recyclable items in the recycling dumpsters. All other trash goes in the other bins.
- Please close the dumpster lids when you are finished. Open lids allows trash to spread!
- Please Do Not block the dumpsters with dock carts or debris. Blocked dumpsters don't get picked up and end up overflowing.
- Please take all hazardous waste items such as chemicals, batteries or electronics to the Household Hazardous Waste Facility.

### Insurance

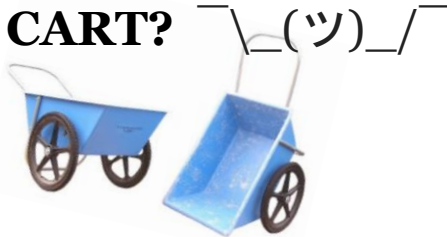

When renewing your insurance, please have your agent update the AI endorsement to read:

**Sun Communities Inc., and its affiliates and subsidiaries** (or Safe Harbor Marinas, LLC, SHM TRS, LLC, and their respective parents, affiliates and subsidiaries).

When sending us copies of your insurance, email a copy of your current **Declaration Page and Additional Insured Endorsement** to [MBYH@SHMarinas.com](mailto:MBYH@SHMarinas.com).

### DUDE, WHERE'S THE DOCK CART? (ツ)

Please be kind and Return All Carts to the Head of the Dock! Leaving them “hidden” on your finger so people have to hunt for them throughout the dock is not nice to your fellow boaters.

There was an old man from Nantucket  
Who kept all his cash in a bucket.  
    His daughter, named Nan,  
    Ran off with a man,  
And as for the bucket, Nantucket.

There once was a man in a boat,  
Thought his yacht was a castle and moat.  
    But the pirates they boarded,  
    Took all that he'd hoarded,  
And now he's a poor man afloat.

A wonderful bird is the pelican  
His bill can hold more than his belican.  
    He can take in his beak  
    Enough food for a week.  
But nobody knows how the helican.

There was a young man on a ship  
Who counted each pitch and each dip  
    Each roll and each yaw,  
    Each sea and each saw  
On a twenty-six-thousand-mile trip.

A young man signed up for the sea;  
and soon was as sick as could be.  
    The First Mate said "Jack,  
    it's sea legs you lack  
we're sadly still tied to the quay".

There was a young fellow named Sid  
Who thought he knew more than he did.  
    He thought that a shark  
    Would turn tail if you bark.  
So he swam out to try it – poor kid.

There once was a pirate named Gray  
Who's parrot squawked to him one day,  
    "There's the map, can't you read it?"  
    Said Gray, "I don't need it,  
We're in the middle of an uncharted bay!"

A lighthouse keeper called Crighton  
took to seeing a lady from Brighton,  
    but ships ran aground,  
    and sailors were drowned,

The Spaniards harvested these crystals and sent them by ship back to Europe. It was then that it was first determined how many quartz were in a galleon.
